

One raises first. A separate fund follows later.

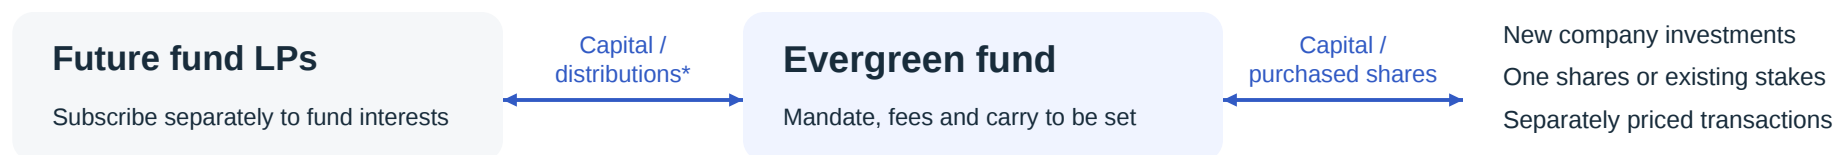

A permanent operating home for James + John's deep builds, shared work and reusable technology.

FRACTIONAL WORK: any member or company employee can work for other companies through One.*

*One's pool: 30% fully diluted at adoption; timing relative to the raise is open. Company ownership is agreed separately.

LATER / SEPARATE EVERGREEN FUND

One keeps existing assets. One shareholders do not automatically become fund LPs or receive GP carry.

Future fund: agree One's manager / GP economics, member sourcing carry, work costs, equity allocation and affiliated transactions.

*Proposed terms. Grants, work, financing and liquidity require agreements. Legal / tax review includes the 40% asset test and voting rights.
